As we kick off the centennial celebration of North Shore Country Day, it is important to look back at our history both as a school and as a community to see what once was and how far we have come. In order to appreciate what has changed about North Shore in the past 100 years, we must first learn about what the traditions were, how they came to be, and how they changed. Because, after all, who knows? Maybe 100 years from now. a North Shore student will stumble upon this yearbook and learn how their favorite parts of the school developed. As Sonia Sotomayor once said, "It is important for all of us to appreciate where we come from and how that history has really shaped us."

Introduction

Looking back on 100 years of history of the North Shore community, we urge you to do as the title of this year's edition of The Mirror says: Celebrate like it's 1919! Celebrate what great strides a tiny private school in Winnetka has made: From having nationally ranked athletes in numerous sports, to making the state finals in Science Olympiad, to putting on theatre performances with sold out audiences, North Shore has accomplished a great deal in 100 years both inside and outside of the classroom. We hope you enjoy your memories from this past school year, as well as recognize all that has been done from 1919-2019

Dedication: Jen Pfannerstill

By celebrating 100 years of excellence at North Shore Country Day, we wanted to dedicate this year's yearbook to a person that exemplified the values that have been a part of the school since 1919. We could think of no other person who better exemplified these values than Jen Pfannerstill, a beloved science teacher, volleyball coach, colleague, and parent.

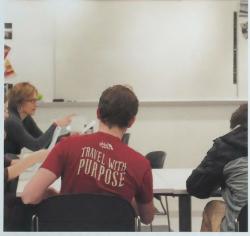

Ms. Pfannerstill began working at North Shore Country Day in 2014, quickly making an impact as a valuable member of our community. She fit in perfectly with the school's values because she possessed many talents, including being an accomplished musician, and was passionately committed to community service.

As a teacher of Biology, AP Biology, and Advanced Open Research, Ms. Pfannerstill inspired inquisitive behavior from her students. They could drop by her office for academic help, life advice, or just casual conversation. She was a role model for her volleyball players, students, colleagues, and fellow parents. She was also known as someone who could be relied upon in a crisis. Ms. Pfannerstill was a woman who dedicated time and love to our community and who will always be remembered for her amazing presence here. For these reasons, we are proud to dedicate the 2018-2019 edition of *The Mirror* to Jen Pfannerstill

OPENING MORNING EX

Opening Morning Ex has been a North Shore tradition since the school was founded in 1919. This year, Opening Morning Ex represented the beginning of the 100th year of the school. All students, JK through 12th, gathered together in the auditorium while Dr. Flemma read a children's story, each of the seven lifers gave a speech, and our ASSIST student was introduced. To conclude the gathering, the lifers continued the tradition of ringing the school bell to indicate the start of the new year.

THANOS DROSSOS

ASSIST – the year from an (ex)changed perspective

From Germany and Greece around the world and back - in one year

Luckily, during my exchange year I was not only able to experience an – for me – entirely different culture, but to also travel to many places across the US. I had the opportunity to try new things, make new friendships and see the world from a new perspective.

I would like to sincerely thank everybody, including ASSIST, faculty, students, my friends and especially my host family, who made this amazing year possible for me.

Homecoming

Homecoming

Homecoming 2018 can be marked as one of North Shore's most memorable. Starting off with the senior and JK and SK buddies painting each other to decorate the Mac Gym, or 1st grade through 11th grade decorating the school with purple and white, excitement for the start of a new school year was in the air. The Pep Rally was a favorite of students and faculty who had fun watching the Upper School sports teams dance, the teachers compete in a roller-seat race, and there's even the pie-eating contest. That evening began with games from our Varsity Volleyball team and Varsity Soccer team, who both brought in wins for the Raiders. To celebrate the many wins of the night, students, faculty, family, and friends all gathered on the field to enjoy food trucks and the warmth from North Shore's famous bonfire. With delicious food, a toasty fire, and the positive energy of student athletes running through the arch, this Homecoming proved to be one of the greatest.

Outdoor Ed

This year's 7th-grade outdoor ed was unlike any other Even when the composite was flooded, students found a way to camp, get to know each other better, and have fun. After having their campsite moved to the field at North Share, Meg Pfannerstill '26 said that 'ii was fun to go out and play with all of my friends. It was like having a giant seepover with my class, it made me excited to spend the rest of the year with everyone. The rest of the 7th grade seemed to agree, all having very positive reactions to having the opportunity to spend time with their friends and teachers while staying clase to have. Overall, these Rolders loved this seemingly misplaced camping trip and would do it all again

Outdoor Edit

The 6th graders had a fun-filled weekend of team building and getting to know their new classmates and teachers!

Middle School Service Week

It is very important to every student at North Shore to "Live and Serve," as said in the school moto. The middle schoolers take a week off of classes every year in order to learn about service and help the community. Speakers come during the week and students take part in a variety of projects.

During service week, students have a chance to connect with those in their addvisory. Danielle Savin 23' said, "We were all working towards one goal, helping others. Having this shared goal allowed everyone in my advisory to get to know each other better."

Science Olympiad

WASHINGTON, D.C. TRIP 8th Grade

"Seeing Washington D.C was so cool and fun to experience! I learned so much history about the monuments, memorials, museums, and famous buildings. Some of my highlights would definitely be seeing the Washington Monument, the Newseum, and the play at The Kennedy Center! I've heard lots about D.C and having the great opportunity to take a trip there with my class was amazing!" -Kaitlyn Olson '23

Flag Football

This year, the Middle School flag football team had a great season with some very momentous games. North Shore had huge wins over Alden Hebron middle school and Rockford Christian, both games on the Raiders' home field. Coach Barfield summed up the season, saying, "This year's flag football team had some fun, exciting, close games with some great plays for touchdowns." It was an awesome season for the flag football team!

First row:Jonathan Wiggins, Jack Forrest, Jesse Forrest, Charlie Settimi, Pierson Haislet, Brady Phillips, Fran Luz. Second row: Mason Cotter, Josh Sanders, Ian Bogan, Jordan Willams, James MacGeachy, Evan Fortier, Quincy Anderson, Johnny Pappas. Back row: Coach Barfield, Hugo Hourihane, Mac Devereux, Michael Olatunji, Buckley Oelerich, Robbie Black, Bo Stevenson, Coach Deuble.

Volleyball

2018 was an awesome season for the Middle School Girls Volleyball team! Everyone worked really hard to improve their basic skills and had a lot of fun together. Playing epic games of "Queen of the Court" and "Dead Fish" helped everyone become better players. Ava, Niabelle, and Jola provided the energy - and the dance moves - that kept everyone focused and ensured that the team had lots of fun. Thanks to the leadership and positive energy from this year's team, the future of North Shore volleyball seems pretty bright!

Boys Soccer

The 2018 Middle School Boys Soccer team began the year with high hopes. Thanks to the leadership provided by Coach Kubacki, everyone was able to improve their skills while also having a lot of fun! The game against Kenilworth particularly stands out as a milestone for the team because everyone started to gel together as one unit striving for a common goal. By the time the season wrapped up in October, we were a well oiled machine. We can't wait until next year!

Front row: Razaan Ghazi, Kai Reinhard, Lucas Kalainov, Llam Gallaga, Colin Casey. Second row: Max Santos, Pranshu Rao, Ricardo Gonzalez, Benji Leonetti, Owen Leesch, Jojo Fiegl, Geoff Flickinger. Back row: Luke Avedisian, Clark Murphy, Aram Dombalagian, Cole Sabia, Leif Steele, Tae Won Lillig, Carter Smirl.

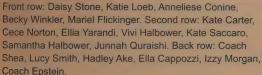

Field Hockey

The highlight of the middle school season was their first win of the season. Some quotes from this years players:

"This has inspired me!!" -Tommy Kalotis '24

"I am so happy I got to improve my field hockey this season!" -Cece Norton' 24

"I love playing field hockey with my friends! They make it so fun!" - Izzy Morgan '24

The team looks forward to a great season next year and really enjoyed playing together this season.

Boys Basketball

The Middle School Boys
Basketball teams all enjoyed very
successful seasons. They
improved their skills, competed
hard against their opponents, and
prepared for the next level.
GO RAIDERS!

Front row: Ricardo Gonzalez, Simon Ugarte, Connor Gray, Jojo Fiegl, David Jackson, Simth Flickinger. Back row: Leif Steele, Colin Gupta, Charlie Attebury, Coach Callahan, Coach Oelerich, Coach Sarfo, Bo Stevenson, Trafton O'Brien, Toby Nelson.

Front row: Charlie Ver Eecke, Fran Luz, Mason Cotter, Brady Phillips, Jonathan Wiggins. Back row: Coach Callahan, Josh Sanders, Ian Bogan, Coach Oelerich, Kellen Floyd, Ahmad Oluewu, Coach Sarfo.

Front row: Clark Murphy, Carter Smirl, Johnny Pappas, Cole Sabia, Benji Leonetti. Second row: Coach Sarfo, Coach Callahan, Michael Olatunji, Buckley Oelerich, Robbie Black, Coach Oelerich.

Girls Basketball

Front row: Lottie Ake, Izzy Morgan, Jola Adebiyi, Kate Saccaro. Back row: Coach Timbers, Tommy Kalotis, Emilise Comeau, Lucy Smith, Coach Kolton.

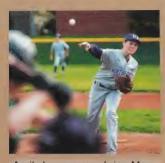

This 2018-19 Middle School Girls Basketball team began the year with a lot of energy and enthusiasm. Thanks to the leadership of Coach Timbers and Coach Kolton, the team was able to sustain these positive vibes throughout the season. Spending hours in the gym practicing their skills really paid off when they faced opponents like Anshe Emet and Roundout. The season. climaxed with a hard-fought contest against North Shore's arch rival, Latin School, All of the coaches and players deserve congratulations for a very successful season!

Baseball

April showers may bring May flowers but they also make playing baseball games really difficult! Our wet spring made getting out on the field a challenging task for the Middle School Boys Baseball team, but the gloomy weather didn't dampen anyone's spirits. The credit for that has to go to coaches Block, Oelerich, and Reyes. Even with the rainy weather, they helped the team refine their skills so they could become better ball players. When the weather warmed up and the fields dried out, the team went out there and competed like champions!

Front row: Jonathan Wiggins, Quintin Bar, Gabriel Rosen, Colin Casey, Max Santos. Second row: Trafton O'Brien, Pranshu Rao, Noah Metz, Connor Gray, David Szymanski, Alec Coleman, Ethan Buckner. Back row: Charlie Atteberry, Robbie Black, Coach Reyes, Coach Block, Coach Oelerich, Buckley Oelerich, Hugo Hourihane.

Girls Soccer

Front row: Daisy Stone, Katie Loeb, Annie Loeb, Lottie Ake, Carissa Schultz, Becky Winkler, Ellie Yarandi. Second row: Dani Gascoigne, Meonda Collins, Alli Smith, Meera Keid, Sophie Green, Alicia Isasi, Campbell Fleming, Kate Saccaro. Back row: Allie Bunge, Danielle Savin, Coach Mejia, Coach Timbers, Coach Jones, Alex Gascoigne, Syd Kalainov.

The Middle School Girls Soccer team had a diverse group of players who each contributed to the group in their own way. For example, Kate leveraged her experience and versatility to fill any role that Coach Jones needed her to fill. And Allie pushed herself to develop her skills, becomming a formidable player in her own right by the end of the season. These factors helped the Raiders earn an undefeated home record and, most importantly, have a lot of fun playing together.

Track and Field

The athletes on the Middle School Track team learned a lot this season. They developed the discipline needed to train, they discovered how far they could push themselves, and they learned what it takes to be part of a winning team. Thanks to the positive leadership of Coaches Barfield and Fidler. everyone was performing their best by the end of the season. With some off season training. the team will be ready to compete at a high level next vear!

Front row: Sophia Wall, Gus Koh, Lucas Kalainov, Felix Ricketts, Jack Shreve, Griffin Gerdeman, Second row: Josh Sanders, Ian Bogan, Jesse Forrest, Blythe Brock, Charlie Settimi, Connor Fiascone, Ela Jain, Rithik Khanna. Third Row: Coach Fidler, Jordan Williama, Adair Connor, Ella Capozzi, Jola Adebiyi, Owen Conlon, Danielle Isasi, Coach Barfield, Back row: Bo Stevenson, Tae Wong Lillig, Cole Sabia, David Jackson, Johannes Giegl, Emmelise Comeau, Jackson Macejko, Soren Koh.

Cross Country 2

There is a saying in the sport of cross country that the first mile is mental and that the rest is all heart. If that is true, this year's Middle School Cross Country team displayed ample amounts of both qualities throughout the season. It was clearly evident at the Regina Run, the first meet of the year, and it was on full display at the end of the season at the Bud James Invite. Coaches McHugh and Callahan structured the long season of training in a way that actually made it a lot of fun. Thanks for a great season and we can't wait until next year!

Girls Tennis

This season, the girl's tennis team had 9 spectacular wins and 1 loss which was reclaimed later on in the postseason. Players Claudia Miller, Alex Arenson, Vivian Miller, Caroline Lommer, Gabbie Kaplinsky, Edith Edwards-Mizel, Emily Weil, and Emily Yoo placed second overall in ISL. Claudia Miller, Vivian Miller, Alex Arenson, Caroline Lommer, Gabbie Kaplinsky, and Edith Edwards-Mizel helped North Shore get 1st at sectionals for the first time in history. Later on, as these players advanced, they helped the girl's tennis team to be the first girls sports team to get a back to back state title. As a whole, the team also had many bonding experiences including a tie-dye party, dinners, and paddle tennis.

Volleyball

The upper school Volleyball team has had an amazing season with many victories. One of the biggest highlights was the Dig Pink game, in honor of former coach Jen Pfannerstill. It was an emotional and action-packed day as North Shore students fundraised for breast cancer. The volleyball team brought in pink themed baked goods to sell and decorated to the Mac Gym, the cafeteria and the V in the upper school. On October 5, the whole school wore pink to honor all the women who have been diagnosed with breast cancer. Later, the Volleyball teams played exciting games and our North Shore Raiders cheered for the team with streamers and noise makers. All in all, the volleyball team had a great season and the players have made strong friendships that will last for all the seasons to come.

Front row: Riley Rosenfeld, Eloise Richardson, Payton Anderson, Kali Pfannerstill, Sofia Belabbes, Safa Hadavi, Antonia Lopes. Second row: Anna Ristic, Kate Black, Lola Adebiyi, Natalie Duquette, Evelyn Nava, Zoe Bogan, Colleen Murdock, Raven Rumbolt-Lemond, Liliana Green. Back row: Coach Reyes, Coach Banez, Martina Colzi Risaliti, Morgan Small, Maya Valliath, Julia Terhaerdt, Anna Roszak, Caroline Rice, Kamryn Deveny, Coach Holod, Coach Jensen.

Boys Soccer

The boys soccer team had one of the most memorable seasons in North Shore history. Coached by Kyle Jones, Varsity pulled through the end of the season with a win in the Regional tournament. Senior Caption Aidan Zavala describes the season: "We had a good season and I am proud of how everyone stepped when things got tough. I know next year they will be strong and will have an amazing season. I wish them all the best of luck." Although this team will be losing many seniors, the soccer team still has a bright future ahead.

Field Hockey

This season, in Mullery Doar's first year as head coach, Girls Field Hockey finished in 4th place in the Illinois State tournament. They completed the season overall with nineteen wins and four losses. The team won the ISL, and team achievements included beating New Trier in a shootout for the third time in school history. With 30 players, field hockey had a large roster this season and has high hopes for the future of NSCDS field hockey.

Front row: Johana Ramirez, Lila Golson, Lucy Hallinan, Katie Nolan, Abby Renaud, Paige Forester, Arely Garcia, Abby Kaplan, Nina Scheyer. Second Row: Claudia Gonzalez, Paris Fear, Kendall Vallas, Grace Bartell, Charlotte Bartell, Caroline Segal, Lexi Jackson, Maura Markowitz, Lindsey Glew, Taylor Vallas, Charlize Guillen. Boys Golf

2018 was another great year for the Boys Golf team! The large number of players reflects the strength of the program, and this year's squad peformed up to the lofty expectations set by Raider golfers in years past. Once again, the team won their conference, ultimately earning an eighth place finish at State. They earned individual accolates as well, with Eli Sherman named ISL Player of the Year. Individual and team successes aside, everyone also had a lot of fun. Perhaps the highlight was playing a late season match in the snow. The underclassmen are primed and ready to dominate again in 2019!

Front row: Eli Sherman, Chris Johnson, Max Bury, Brody Rountree, Luke Madigan, Jack Canmann, Tommy Flickinger, Brian Mostofi, Dusty Karmin. Second row: Ryder Paul, Colin Norton, Sebastian Isasi, Imaad Vohra, Panagiotis Kanellos, James Keller, Will Niemann, Michael Canmann, Rob Pierre, Henry Echt. Back row: Coach Olerich, Gavin Schneider, Evan Dybas, Nick Kohler, Trace Hefner, Quinn Connolly, Ward Madigan, Alen Hodzic, Jack Hunt. Coach Saleh. Coach Bach.

Girls Golf

This year, with a team of two, girls golf came to conquer. They had multiple bonding experinces, including food trips Taco Nano and Fred's Garage. Both girls went into Regionals ready to win. They both advanced to Sectionals and were excited for what was to come next. Mia Askew says, "I enjoyed this season so much and I could not have imagined doing this season with anyone else. We have accomplished great things as a second year girls golf team and I hope this team continues long after I graduate." Caroline Gray made history this year by being the first girl from North Shore to advance to the state golf tournament. This season contained many firsts and both girls achieved new personal best in competition.

**Cross Country

NSCDS's Upper School Cross Country team had a season with many new experiences. Both the girls and boys made it to sectionals this year, which Anna Umpleby says was partially because of the small team dynamic: "The team became closer because we spent so much time together. We were able to push each other to be the best we could be. "The opportunity for an all girls team opened up this year after previous struggles with not enough participants. There were a total of seven girls this year. They were able to bring their combined goal time (the finish times of the top five runners) of 130 minutes down to 127 minutes. "I'm really proud of the team and how hard we worked," says Anita Rao. "It feels good to accomplish our goals after such a long and difficult season."

Paddle Tennis

The North Shore Paddle team participated in its first season this winter. While unable to find teams to compete against, the team had a great time practicing, learning, and honing their skill. They practiced co-ed at the Winnetka Park District courts. Coached by Mullery Doar, Rebekah Kauffman and two pros from the park district, the team learned everything from how to score to eventually how to hit the ball off the screens. The team had a large roster of about twenty-six people and had a good season competing against each other, taking breaks in the paddle hut, and getting to know each other better. They competed each Thursday against eachother in a competition called Thunderdome Thursday. This competition continued throughout the season until the final paddle practice when Alex Winslow '20 was crowned champion of Thunderdome Thursday! Overall it was a fun and sometimes chilly season about learning a new sport.

Players: Max Marshall, Katie Nolan, Jibraan Ghazi, Julia Fortier, Alex Winslow, Michael Canman, Elizabeth Savin, Justin Youderian, Gabby Kaplinsky, Max Bury, Isabel Dart, Abby Renaud, Julia Terhaerdt, Marissa Youderian, Grace Bartell, Maura Markowitz, Payton Anderson, Jacob Sherman, Taylor Vallas, Kendall Vallas, Maddie Dixon, Brian Mostofi, Shashwat Singh, Cooper Rhoads, Jack Saccaro, Thanos Drossos Coaches: Rebekah Kauffman, Mullery Doar

Winter Track

This 2018-2019 Winter Track season was productive, fun, and memorable for all students who ran in the cold Chicago weather. Practices varied daily depending on the unpredictaeble weather, but there was still consistent work and effort from every runner. The long and mid-distance runners usually took to the outdoors for daily runs, while sprinters staved inside to work on strength building and speed. Within the season, the team participated in four indoor meets where athletes got to test their skills and experience competetion for the first time this season. One of the most notable meets was the first U-High Friday night meet where many students ran personal bests and even broke class records.

Girls Basketball

This season the basketball team did exceptionally well. We had great team chemistry and were able to balance work and fun during practice. In our final playoff game, we came the closest we've been in a while to advancing past the sectional game due to our excellent team work and drive. This team was the defintion of hard work and deication

Boys Baseball

Once the weather began warming up, the Upper School Baseball team started to hit its stride. Led by the excellent all around play of Trevor Hayward and strong pitching from Ethan Watrous, Teddy Wilson, and Dylan McLamore, the team had a winning record going into mid-May. There is no doubt that everyone enjoys playing for the Raiders because they are known for their team chemistry, on and off the field. In the words of Mr. Cub himself, "It's a beautiful day for a ballgame...let's play two!"

Girls Soccer

Girls Soccer has had a great start to the season, headed by Varsity coaches Giffen and Morgan. The team succeeded in winning the ISL tournament for the first time in NSCDS Girls Soccer history. This accomplishment came after a big win against rival Latin School of Chicago. The team also competed in the PepsiCo tournament for the first time, which provided good practice going into playoffs this season. The team is really strong this year and loves spending time together: pre-gaming with a loud speaker or stopping for dinner after a big game.

'So far, our tennis season has been going great. We're catching "dubs" out here. We're working hard and trying to become better everyday. We think we have a great shot at regionals and even a good shot at state. I'm looking forward the rest of the season." - Evan Fedin

Track and Field

This season's Spring Track team has had a successful run on the track, in the pit, and over the pole. With Sam Roszak '21 breaking the all time school record for high jump, he has set the standards high and long for generations of students to come. Also, the girl's 4x2 and 4x4 teams had successful runs against a season of strong competition. While the weather remained cold throughout the season, practices continued in rain or snow as the determination of the team could not be stopped by any weather. Whether completing library loops or runs to the hill, our Raiders outran the cold.

Forever no matter what, Mommy xo

To our Mai Mai, our little giraffe,

Over the past 18 years, we have seen you grow from a cheery and determined toddler into a loyal friend, a loving sister and daughter, and a clear-headed, thoughtful citizen and classmate. You have been blessed by God with a wonderful place to grow up in and a great education. From watching you sing Suzy Snowflake at the Holiday Program to cheering you on in track meets and volleyball games, we've seen you walk through your time at school with resilience, joy, hard work and laughter. You are passionate about your beliefs that you've arrived at by observing, researching, listening and thinking deeply. We're consistently impressed by your firmness in the face of opposition, grace in the face of disappointment, compassion in the face of injustice, and not least of all, by your ability to laugh.

May God continue to guide you as you journey into college. May you be surrounded by friends and faculty who build you up, push you towards excellence and allow you to grow into the woman God intended you to be. We love you so much, little one! Three cheers for our graduate!

All our love,

Papa & Mama, Josh & Ala and Kiki

Henry,

Even more adventure awaits! We are so proud of you and can't wait for your next chapter.

We love you so much!!

It's always been the 3 of us ...

What you feed grows.

Dear Livvy, We love your quirky personality, dry sense of humor and bright, quick mind. You have made our lives richer and more fun than we could have ever imagined. After 14 years. you're leaving "your" school and heading to the school of your dreams. We want to give you a few pieces of advice: Remember that "Where you invest your love you invest your life". to love God and love others and that no matter where life takes you and no matter what you do, we will always and forever love you.

Love, Dad and Mom

Ben,
